Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Ok to film at Wilson Harding Golf Course on 11/10/12 from 1:30pm to 8:30pm.
- Okay to have a cast of 5 and crew of 6 total.
- No special effects or fighting allowed unless pre-approved by Wilson Harding maintenance director.
- Okay to park trucks in the west half of the Turf Management lot,
- No weapons allowed.
- Company does not have exclusive use of any part of the park and must work around golf patrons.
- Must follow all specified guidelines set by Sergio Guzman.
- Company does not have exclusive use of golf course and cannot hold patrons from being in area unless otherwise permitted by Wilson Harding Golf Course.
- No alterations to the landscape permitted unless approve by Sergio Guzman.
- No heavy equipment allowed on turf.
- No blocking flow of traffic on road or any paths in park.
- No staking into ground permitted.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.

- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.

Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor.
